DAKOTA SECURITY OPENS REGIONAL OFFICE IN PHOENIX

SIoux FALLS, SD - Dakota Security Systems is proud to announce the opening of its newest regional office in Phoenix, Arizona. The company, headquartered in Sioux Falls, SD currently has regional offices in Des Moines, IA, Chicago, IL and New York, NY.

“This new regional office in Phoenix will enable us to better respond to the needs of our existing customers and will allow us to capitalize on the future growth in this region, “ said Eric Yunag, President and CEO of Dakota Security Systems. “This continues to demonstrate our commitment to developing our national footprint and further accelerates our aggressive growth plans.”

Headquartered in Sioux Falls, SD, Dakota Security Systems, Inc. is a security systems integration company providing electronic and physical security solutions. The company has regional offices and remote locations in strategic locations throughout the country to provide design, implementation and support services to their customers. Dakota Security is a privately held company with a thirty-year history of providing superior installation and service quality for a demanding customer base.
